future

VICE CHAIRMAN'S MESSAGE

Dear Guardians/Students,

At the outset, I take immense pleasure in welcoming you to NAAC Accredited Mangalmay Group of Institutions which aims at transforming education to meet the aspirations of its stakeholders especially the students. Mangalmay Institutions are designed to provide talented and ambitious students with the knowledge and skills to achieve positions of leadership within their chosen profession necessary for their career progression.

The rapid changes and increased complexity of today's world present new dimensions and challenges in the existing education system. Mangalmay Group of Institutions within its ambit have analyzed various parameters based on which the students are employment and placement ready and are easily absorbed in the corporate sector according to their preferences. We at Mangalmay provide various professional certification long term and short term certificate programs in all streams of Engineering, Management, Teacher Education, BBA, BCA etc. to ensure excellence in our teaching and learning process all the time.

The institute has excellent facilities for Curricular, Co-Curricular and Extra-Curricular activities coupled with an unparalleled commitment to a friendly learning environment. The institute has well experienced faculty and an extremely rich library to the benefit of the students. I take this opportunity to wish you success in all your endeavors.

Er. Aayush Mangal,
(Vice Chairman)
Mangalmay Group of Institution

build your
future

WELCOME TO MANGALMAY WORLD

CHAIRMAN'S MESSAGE

I am buoyed to see that over the years, Mangalmay Group of Institutions have attained success in leap and bounds in the field of technical and management education. Ever since the inception of the institute, it has been my main focus to give highest priority to the research, innovation and pursue excellence in teaching and learning process for the benefit to the students which of course is sine-qua-non to every higher educational institute. I hereby wish to extend all gratitude to the entire teaching fraternity of the institute who raised confidence upon me and stood by my side to take to the institute to the new heights with their support and endeavor. Nevertheless, the efforts of the teaching family brought NAAC to one of the group institutes which symbolizes itself for having taken the first step towards excellence.

Last year the institute have signed few collaboration agreements with extremely reputed industrial houses and academic institutions as well. This initiative has added additional strength in our academic ambience and created a charge to chase excellence whole heartedly.

I am delighted to see that a team of dedicated and experienced faculty members are toiling hard to take the instituteto the next level to be at par with the other top institutions. I express all my wishes to them for their best efforts. I am also very buoyed to see the state- of-the-art campus infrastructure with modern teaching and research facilities adding value in teaching learning in line with the vision and mission of the institute. It is all the more satisfying to see the institute offers career-oriented courses matching the requirements of the industry and society at large at every stage.

I welcome you in the institute and assure you best professional career suitable to your skills and ambitions.

Sh. Atul Mangal

MASTER OF BUSINESS ADMINISTRATION

The MBA programme of Mangalmay Institute of Management and Technology (MIMT), affiliated to Dr A. P. J. Abdul Kalam Technical University AKTU (Lucknow), offers a comprehensive and challenging MBA curriculum to ignite the student's managerial skills. The institute adheres to the affiliating university's course curriculum in its absolute letter and spirit. We at MIMT offer dual specializations in Marketing, Finance, Human Resources, International Business, Information Technology and Operations in line with the university's advisories and guidelines. In today's fast-paced and evolving business environment, there is a constant demand for agile managers.

The course curriculum incorporates blended and experiential learning through guest lectures and company visits and many more value added courses to the benefit of the students and faculty fraternity as well. Business simulation and case studies are core pedagogies in the classrooms. Mangalmay Institute of Management and Technology (MIMT) has a very strong network with the industry for internships, live projects and placements.

MBA + IIM BANGALORE CERTIFICATION

+ PG CERTIFICATE IN ADVANCED FINANCIAL MANAGEMENT AND RISK ANALYSIS

MBA++ has been one of the flagship programmes of “Mangalmay Institute of Management and Technology”. The institute is affiliated to Dr A. P. J. Abdul Kalam Technical University (AKTU), Lucknow. The programme focuses on simulated learning which is practically in sync with reality predominantly makes the students industry ready with knowledge and ability. Moreover, MBA++ circumspectly inculcates a sense of future entrepreneurs to contribute their bit in the national growth and development. The MBA++ apart broadening horizons and enhancing skills develops analytical skills of the students from the corporate perspective to transform them a well competent and capable executive to take on every challenge of personal and professional life in the most befitting manner. The programme contents and syllabus of MBA++ is developed under the aegis of industry mentors and senior managers under their specific procrustean skills. The curriculum of MBA++ is uniquely designed tailor-made with problem-solving methodology in core specialization areas of Finance, Marketing, Human Relations, Operations and Systems following the industry requirement. Much to the buoyance, IIM(B) has consented their certification of competitive advantage under our agreed collaboration with them.

BTECH

BACHELOR OF TECHNOLOGY

EDUCATION IS NOT PREPARATION FOR LIFE; EDUCATION IS LIFE ITSELF.
-John Dewey

ABOUT THE MIET

Mangalmay Institute of Engineering & Technology (MIET) offers four-year full-time B. Tech programme in Computer Science Engineering (CSE). Under its aegis, there are predominantly two programmes which are as under:

CSE - Artificial Intelligence (AI) and CSE - Data Science (DS)

Both the programmes are duly approved by All India Council for Technical Education (AICTE), Ministry of Ministry of Education, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow.

Though the course structure and syllabus of both the programmes are designed and structured by AKTU – Lucknow (UP) yet MIET follows a well proven diversified pedagogy of sharing knowledge with the students. MIET is enriched with experienced, dedicated, and knowledgeable faculty members who are always ready to toil hard to the benefits of the students all the time. The institute has state of the art infrastructure with an excellent facility to create a most befitting ambiance of teaching and learning. MIET provides the best platform for the students to excel knowledge in respective domain of Computer Science & Engineering. The institute in its endeavor to follow the norms of NEP 2020 and offer multidisciplinary education at the most possible extent. The institute allows the students to select subjects which they like to

study apart from the core subjects to fulfill the aforementioned norms of NEP 2020. They can even select subjects from different disciplines as per the curriculum provided by the university. Over the years, MIET has been adjudged as one of the best and excellent innovation centers to prove creativity to the benefits of faculty members and students as well. The MIET imparts world class training and research and also promotes active industry-academia collaboration by identifying areas of interest of the students. Thereafter, initiatives are taken to take part in sponsored research projects and consultancy services. The MIET has the collaboration with IBM, IIT Kanpur, Future-Zen group, ICT Academy, UiPath, etc. The curriculum connects pertaining to different areas integrates engineering, mathematics and science with humanities and entrepreneurship as well as focuses on building a range of life skills essential for a successful career.

The MIET follows Dr. A.P.J. Abdul Kalam Technical University, Lucknow based curriculum with an innovative approach enabling students to enjoy freedom to choose from various options available and explore their talent to fulfill their professional ambitions. The MIET organizes regular interaction with the industry and provides specially designed courses, modules, conducted workshops, seminars, field projects, internships, and educational tours for the benefit of the students. The MIET uses research driven education system to teach the students.

HIGHLIGHTS

MIET Highlights:

- Among the best engineering colleges in the DELHI/NCR Region.
- The Industry Oriented Program has been designed so that students will begin to feel and think like engineers on day one and that caters to the needs of Industry 4.0
- Academic and research excellence through highly qualified and experienced faculty.
- Regular Industry Interaction through Industrial Visits, Workshop, Seminar, Guest Lectures and Conferences.
- Campus Placement & Corporate Training activities towards development of employability skills and Business Awareness.
- Bridging the gap between Industry and Academia via conducting regular sessions by Industry experts.
- Opportunity to earn professional skills certificates provided by industry partner IBM, IIT Kanpur, Future-Zen group, Farelabs, ICT Academy and UiPath etc.

UNDERGRADUATE PROGRAMS:

B. Tech in Computer Science & Engineering

B. Tech in Computer Science & Engineering with specialization in Artificial Intelligence (CSE-AI)

B. Tech in Computer Science & Engineering with specialization in Data Science (CSE-DS)

B. Tech: - Lateral Entry - 2nd Year (All Branches):
Mentioned above

Eligibility:

The candidate must have passed (without grace) Intermediate (10+2 Level) Examination or its equivalent from any Recognized Board, securing minimum 60% marks in aggregate in the required subjects with a combination of two Compulsory Subjects- Physics & Mathematics and one optional subject of Chemistry/Biotechnology/Biology and UPSEE/JEE Mains Qualified.

Course Fee :

B.Tech. - CSE

The 4-year B.Tech. CSE Programmes in Computer Engineering, is offered by the Department of Computer Science and Engineering. It focuses on Software engineering, algorithm analysis & design, operating systems, computer graphics, database and information systems engineering, and networking technologies. High Performance Computing, Computer Animation and Gaming, Machine Learning and Data Analytics, Information and Cyber Security, Software Engineering and IoT are just a few of the cutting-edge technologies that the department exposes to our students.

Major highlights

- Young, enthusiastic, and committed faculty, the majority is with highest qualification as Ph.D.
- More than 100 projects of computer engineering, such as machine learning, data mining, cloud computing and IoT, have come from the department in past few years.

CSE - DS

This programme is a 4-year undergraduate programme in Computer Science Engineering with a specialization in Data Science. The aim is to understand the fundamental concepts of Computer Science Engineering with specialized engineering knowledge in the areas of Data Science. It will develop the ability to build and assess data-based models and will execute statistical analyses with professional statistical software.

CSE - AI

This programme is a 4-year undergraduate programme in Computer Science and Engineering with a specialization in Artificial Intelligence (AI). It provides students with a sound knowledge of Artificial Intelligence principles and applications in scientific and engineering domains with an ability to analyse complex engineering problems and generate solutions through AI. students will also get to know how to apply appropriate techniques and modern engineering hardware and software tools for the design and integration of computer systems and related technologies, also to engage in lifelong learning for the advancement of technology and its adaptation in multi-disciplinary environments.

**B.Tech. - Lateral Entry- 2nd year
(All Branches)**

Mentioned above

With a quality combination of world-class faculty, state of art infrastructure, industry-relevant curriculum, academic collaborations, internships, and placements, the B.Tech. course has led its way to make Mangalmay Institute of Engineering & Technology the best college for a B.Tech degree. A student will be able to work in multi disciplinary domains, formulate and solve engineering problems, design and evaluate solutions, algorithms, and protocols after successfully finishing the course. The syllabus has a strong focus on digital transformation technologies that help students to develop their understanding of arithmetic and algorithms. The courses run by the Department use a mixed techniques of interactive lectures, tutorials, laboratory work, guided case studies, literature surveys and project work that require teamwork, critical and creative thinking. Department also supports Research and Development activities for students. Department promotes students to work on Innovative ideas through various events like ideathon/hackathon etc.

INDUSTRY ORIENTED INNOVATION LABS & TRAINING PROGRAMME:

WHY B.TECH CSE FROM MANGALMAY?

B.TECH PLACEMENT

The stellar placement record over the years speaks volumes about the quality of the B.Tech programme offered at Mangalmay Institution with key recruiters from Fortune 500 companies. Some of the key recruiters are TCS, Infosys, Microsoft, IBM, CISCO, Intel, Dell, Wipro, Samsung, etc

BCA

PROGRAMME

BACHELOR OF COMPUTER APPLICATION

WE ARE HERE TO ADD WHAT WE CAN TO LIFE, NOT TO GET WHAT WE CAN FROM LIFE

-William Osler

The fast advancement of the IT Industry has created a plethora of opportunities for the skilled and dynamic computer graduates. The BCA programme of Mangalmai Institute of Management & Technology is designed for students who are passionate about pursuing their career in computer related fields. The program aims to equip the students with the ability and skills to analyze, design and develop computer systems and their applications, with a curriculum that has a balanced emphasis on theory, practicals and projects. The BCA programme is affiliated to Chaudhary Charan Singh University - Meerut (UP) and therefore, the Institute follows the regular curriculum of the University.

Though the university has a very strong track record of the placement over the years yet in order to buttress our claim, the highlight of the placement activities are as under :

Specialization Courses

BCA department always strive to make students acquaint with the latest technological advancements. It is done through active consultation with industry and academic stalwarts. At present, the Department is running following specialization courses which are spread across all the semesters during the course.

- Hardware, Assembly and Networking
- Introduction to Social Media Analytics
- Communicative English & Soft Skills
- Introduction to Python Programming
- Introduction of Data Science, Artificial Intelligence, & Machine Learning
- Introduction to Cloud Computing & its Application
- Academic Research Paper Writing
- Blockchain and Applications
- Big Data Analytics and its Applications
- Internet of Things (IoT)
- Industrial Live Projects

Eligibility:

Students seeking admission to the Bachelor of Computer Application (BCA) programme should have passed Senior Secondary / 10 + 2 or equivalent with 60% aggregate from any recognized Board.

Guest Lectures and Workshops

The department organizes Guest lecturers & Workshops on a regular basis and it is an integral part of the pedagogy of BCA. Corporate head-honchos as well as prominent personalities from the academia are invited to share their valuable insights and conduct lectures from their rich experience. Workshops allows for quality interactions, opportunities to work together on solutions to real life challenges, and practicing new techniques. It provides hands-on experience to the students and help them to learn various industrial concepts.

Value Added Modules

BCA department always strive to enhance the soft skills and employability skills of the students. We offer value-added modules from the commencement of the 1st semester in line with the university course curriculum. We have designed a comprehensive module that extensively works on students' Grooming & Communication Etiquettes, Personality Development, and Soft Skills. Also, to develop technical competencies, we run several modules which are spreaded across the course.

BBA PLATINA PROGRAMME

BBA PLATINA IS A THREE-YEAR UNDERGRADUATE COURSE AFFILIATED TO CHAUDHARY CHARAN SINGH UNIVERSITY, MEERUT. THE INTENSIVELY DESIGNED CURRICULUM ENHANCES THE KNOWLEDGE, CREATIVITY, AND ENTREPRENEURSHIP SKILLS OF OUR STUDENTS. THE PROGRAMME FOSTERS EXPERIENTIAL, CASE-BASED LEARNING TO EQUIP THE STUDENTS TO DEAL WITH REAL-WORLD PROBLEM-SOLVING STRATEGIES IN THE BUSINESS CONTEXT. THE GRADUATES CAN EXPLORE JOB OPPORTUNITIES IN VARIOUS SECTORS SUCH AS BANKING, RETAIL, FINANCE, HR AND BUSINESS ANALYTICS BY OPTING FOR TAILOR-MADE SPECIALIZATIONS.

SCHOOL OF EDUCATION

Mangalmai Institute of Management & Technology, Greater Noida, awarded the prestigious 'CCLA Indian Education Leadership Award' offers a full-time two years Undergraduate Programme of Bachelor of Education (B.Ed), four-year integrated UG program B.A.B.Ed and a Diploma in Elementary Education (D.El.Ed). Both the programs are duly approved by National Council for Teacher Education (NCTE), Govt. of India, and affiliated to Chaudhary Charan Singh University, Meerut.

The Department of Education at Mangalmai Institution strives to prepare students who would be leaders in their classrooms. The stellar performance of our previous batch speaks volumes of our quality with the entire batch getting selected in CTET & SUPER TET. We are also planning to launch Technopreneurship - a unique initiative in the education startup domain at our incubation centre.

At Mangalmai, we strive to create Teachers equipped with 21st Century Technological Skills to impart quality education.

Career Scope:

It is quite evident that B.Ed programs offer an excellent career path. The students can pursue M.Ed. after completing B.A. B.Ed. & B.Sc. B.Ed. degree. They can join as higher secondary teachers in various institutions or pursue a doctorate course. These graduates can find employment in various government/government-aided institutions as well as in primary and high schools.

Corporate SPEAKS

Ms. Keerthana Sudheer
Sales Manager – Byju's Think & Learn Ltd
 Mangalmay Institutions is not just an institution, it's an epitome of knowledge association. Hard working students with best quality education imparted to them. Wish Mangalmay good luck for future endeavors. Overall good experience. Thanks for inviting!

Mr. Krishna Nagarkoti
HR, VIVO Mobiles India Pvt Ltd
 The institution has a good talent pool of fresh minds that have been trained to become industry high focus on technical capability as well as soft skills of students. Thanks for inviting. Hope this professional bond continues longer.

Ms. Adyasha Sahu
HR – Talent Acquisition, IBM Global Ltd
 It is a pleasure being at Mangalmay, the humbleness & hospitality received is amazing. I wish the Institute all the very best. We are thankful to the entire team of Mangalmay for conducting campus drive; availability and quality of students was best and supportive admin staff. Thanks for a wonderful experience.

Mr. Priyank Joshi
Manager Talent Acquisition – Lido Learning Pvt Ltd
 It is a pleasure to see this Institution emerging as a learning leader in Greater Noida. I am happy to see the high level of commitment and credentials of the students. The Institution has modern infrastructure, equipped with an impressive Workshop, Labs and Library. Always we get a good number of selects. Thanks Team! Hospitality at the best!

Mr Tarun Mehrotra
HR, Amazon India
 It has always been a pleasure to visit Mangalmay. We appreciate the hard work the institution takes in grooming and creating future business leaders who are passionate, competent, and ready to take any challenge ahead.

Mr Deepak Baswan
HR – Tech Mahindra
 After our interactions with students, we perceived a distinct curious and creative bent of mind among them. Contemporary and classic domain knowledge seemed to have laid a strong base, fuelling their ambitions and a passion for excellence. Impressive performance by the students.

Mr Pankaj Munjal
MD, Hero Motors
 Vibrant students, faculty as mentors, state-of-the-art infrastructure, dedicated library and multi-user computer labs. All add to the academic ambience and ethos of the campus. My good wishes to Mangalmay.

Mr Anand R
Senior VP HR – HCL Tech.
 The course modules are quite impressive and allow the development of creative and innovative business thinking. Best team at Mangalmay. Good luck for the future.

Mr. Arun Kumar CP
Head HR – Byju's – Think & Learn Pvt Ltd
 It was an absolute pleasure to come to your college and meet your students. I was very impressed with the sharp & bright students that we met. Looking forward for fruitful association in coming years again.

Ms. Neha Bharti
HR, Flipkart India Pvt Ltd
 Groom/ nurture / bright talent and keep up the good work going. Energy, Exuberance, Enthusiasm that's what it is. Impressed with the quality of students and their enthusiasm...good number of eligible candidates for the profile. Thanks.

Institution's Innovation Council (Ministry of Education Initiative)

Initiative of Ministry of Human Resource Development (MHRD), Govt. of India has established 'MHRD's Innovation Cell (MIC)

- **To systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs).**
- **The primary mandate of MIC is to encourage, inspire and nurture young students by supporting them to work with new ideas while they are in formative years.**

MIC has envisioned creation of 'institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs will be established to promote innovation in the Institution through multidinous modes leading to an innovation promotion eco-system in these campuses.

ALUMNI SPEAKS

It was a beautiful journey of my study at MANGALMAY. I feel proud to be a part of this college. It was an accomplishing experience to get placed after various attempts. I am feeling proud to have campus placement. It only became possible due to the efforts made by the college CRD Department, which acts as an interface between the students and the various organizations I owe a lot to my college both professionally and personally.

Praveen Yadav
Oppo Mobiles India Pvt Ltd
B.TECH

It has always been a good place to support the students in the development of their overall personality. All thanks to CRD for making my path clear towards my goal and helping me to touch heights for making me a "True Professional". The complete ensemble, including the faculty, infrastructure, co-curricular activities, industry interface, placement assistance and the soft skill training contributed to make me "Future Ready". My journey was enormous. Thanks.

Abhishek Gupta
Flipkart India Pvt Ltd
MBA

Taking admission in Mangalmay was the best move I made in my life. It not only gave me career mentors but career guardians. After having certain work experience, I wanted to gain the knowledge that school provides for career growth. I got the placement in the final year and I am working with a well renowned company as market leader in its segment all because of the CRD team for helping and pushing me beyond my limits.

Abhishek Chaudhary
Lido Learning Ltd
B.TECH CSE

I personally thank MANGALMAY faculties and CRD Placement cell for putting in all the efforts to groom me and making me a corporate professional. MIET is a place of learning with many more such life preaching activities and added value to my life. It gave me more opportunity to present myself in front of others and I had learned a number of things from my college life.

BASE

Mangalmay is an institution where the emphasis is given on overall development of the student with much priority to academics, personality development and placement training activities so that its graduates can lead the world. Thanks, Mangalmay.

Jenu Jayan
Spicejet India Ltd.
MBA

It is a privilege for me that I got placed through my Mangalmay and now I am working in a wonderful organization to focus myself on being an industry professional in order to build my future. It gives me immense pleasure to thank all the teachers, staff and CRD department for all the skills, confidence and enlightenment that made me achieve this opportunity with ease.

Saurabh Kumar Sharma
Vivo Collaborations India Pvt Ltd
BBA

Life at MIMT was a wonderful journey to be cherished for a lifetime. MIMT is the epitome of quality education and personality building. MIMT has always excelled in transforming its students to corporate ready professionals. The placement department provided a lot of support to the students by organizing various personality development classes, guest lectures, Industry oriented training and bringing reputed companies at the campus for placements."A big Thanks to each and everyone at Mangalmay.
